

INVITATION

On the occasion of the InnoTrans 2022, you are hereby invited to mingle with the Swedish railway industry hosted by organisations Swerig and Swedtrain.

We are welcomed with a greeting speech by Swedish Ambassador Per Thöresson at The Felleshus. The Felleshus – or pan-nordic building – is the cultural center and event venue of the five Nordic embassies Denmark, Finland, Iceland, Norway and Sweden.

Guests are welcome to gather in Swerig's stand at Innotrans, hall 11.2, stand 260, at 17:30 for a joint departure by bus to the embassy. You can also choose to travel to the embassy yourself and connect there.
