

Invitation: Rail Baltica Procurement Visit 2023 in Riga, Latvia

Program and details

Schedule
Monday 6 Nov
Afternoon/evening flight from Sweden - Transport to hotel - Dinner for early arrivals
Tuesday 7 Nov
Meeting with Rail Baltica
Transport to airport - Afternoon/evening flight back

- Rail Baltica is a rail transport infrastructure project with a goal to integrate the Baltic States in the European rail network. Construction of the 870 km passenger and freight route is underway in different stages, with first sections aiming to open for traffic in 2028.
- There are many procurements underway and coming up, ranging from construction to rail technology and rolling stock. In order to help facilitate participation from Swedish suppliers Business Sweden in collaboration with Rail Baltica are inviting companies to take part in a unique one-day visit to Riga on 7 November 2023:
 - Hear firsthand from Rail Baltica about the procurement process and upcoming opportunities
 - Meet, ask questions and interact with Rail Baltica representatives
 - Present your solutions
